

SCOPING REVIEW OF DOMAINS - RESULTS

WORKING GROUP:

This report presents the findings from the scoping review as outlined in the work plan. In this section, the Working Group provides a detailed summary of relevant studies, domains, items, and key concepts identified through the review.

1. Alignment of Work Plan with Scoping Review

Reflecting on the scoping review process, please address the following changes between the outline of your scoping review work plan and the completed scoping review.

Item & Description	Completed Scoping Review
Eligibility Criteria:	
Information Sources:	
Search Strategy:	
Selection of Sources of Evidence:	
Data Charting Process:	
Data Items:	
Synthesis of Results:
