

PLANS FOR DELPHI

WORKING GROUP:

Please complete this form when submitting working group materials for item #3.4 - Check-In: Domain Generation Review and Plans for Delphi. This form will provide the TAG with an overview of your planned Delphi and outline any changes between your work plan and the OMERACT Delphi Protocol submitted previously

1. Prioritizing Domains - Delphi Process

Followed OMERACT Delphi Protocol

Indicate if your working group followed the established OMERACT Delphi protocol for domain prioritization.

Proposed Alternative Methods

Indicate if your working group followed an alternative approach for domain prioritization.

2. Link to Final Version of Delphi Protocol:

3. Link to Delphi:

4. Link to Domain-Development-Tracker:

5. Additional Comments:
