OMERACT IMPLEMENTATION PLAN DEVELOPMENT

WORKING GROUP NAME:

1. OBJECTIVE OF IMPLEMENTATION PLAN

Briefly describe the goal of this implementation plan. What aspect of your completed methodological work will be implemented, and why is it important?

2. IMPLEMENTATION PLAN

Describe your proposed strategy for implementing the methodological findings. Consider the following:

- *Training and support needed*
- *Communication and dissemination*
- *Integration with existing OMERACT resources (e.g., Handbook, Checklist, e-learning):*

3. TIMELINE

Provide an anticipated timeline for each phase of implementation, specifying clearly:

Milestones	Target Start Date	Target End Date
.		
.		
.		
.		

4. MONITORING & EVALUATION

How will the team assess whether the methodology has been successfully implemented or adopted by others?

Key indicators of use or impact:

Feedback or follow-up mechanisms:

Planned updates or refinements:

5. ALIGNMENT WITH OMERACT

How does this implementation support OMERACT's broader goals (e.g., improving standardization, usability, and uptake of COS methods)?

6. RESOURCES & SUPPORT NEEDED

List any support required for implementation (e.g., communications help, software, OMERACT platform updates, funding for dissemination, etc.)

Date of Submission:
